

Victoria's Secret Fantasy Bra 2014 Unveiled

By **SENATUS News** 4 November 2014

Victoria's Secret announces that for the first time its annual show will feature two Fantasy Bras - worn by Adriana Lima and Alessandra Ambrosio - created by Mouawad and worth around \$2 million each. This will also be the first time the annual lingerie showcase and entertainment extravaganza is held in London.

Handset with rubies, diamonds, blue and light blue sapphires all set in 18K gold, the bras and body pieces took over 1,380 hours to create.

See the set up below...
